# Leading the way in color and style

Bufftech leads the vinyl fence industry with a wide array of innovative styles, colors and textures. Choose from eight colors and three finishes, including our exclusive CertaGrain® authentic woodgrain texture, CertaStucco™ traditional stucco texture, and our classic smooth finish.

## Engineered for outstanding performance

A Bufftech vinyl fence provides exceptional impact strength and UV resistance. Unlike wood, Bufftech fence won't rot or decay. It won't warp, split, or splinter. Best of all, Bufftech fence never needs painting or staining — giving you more time to spend enjoying your outdoor oasis.

## A better value over time

With Bufftech, you won't have to deal with ongoing maintenance or repair issues or the cost of replacing warped or rotted sections. Bufftech vinyl fence is backed by an outstanding lifetime limited warranty with exclusive SureStart™ protection, which covers warranted repair and replacement costs for a period of five years after installation.

## Outstanding performance features:

- Virtually maintenance free— never needs painting or staining
- Colorfast cap stock with ColorLast™ dark color fade protection
- WindZone™ system for exceptional performance in high wind conditions\*
- Superior stain resistance — non-porous surface protects against stains
- No visible fasteners that can rust or streak
- Steel reinforced bottom rail for a stronger, more rigid fence
- Lifetime limited warranty with exclusive SureStart™ parts and labor protection
